

**CME on ‘Upscaling the first contact Physician’(January 22)**

The first CME of the New Year 2026 was convened by the Department of Community Medicine on January 22. The CME which focused on ‘Upscaling the first contact Physician’ brought together eminent faculties working in primary health care sectors all over the country. The CME proved to be a success in installing knowledge and wisdom on being a first contact Physician in an Indian setting.
